Powerful Talks that Motivate Audiences to Greater Success

Audiences everywhere are inspired by Christopher Powell's triumphant story of overcoming his challenges with cerebral palsy to transform his life and the lives of others. Through perseverance and fortitude, Chris has become a successful entrepreneur, mathematician and top professional speaker. Despite being unable to hold a pencil and having limited use of parts of his body, Chris has been able to attain a degree in mathematics from the University of Maryland, run marathons and is now changing the lives of others as an entrepreneur.

Christopher Powell is President of Reaching New Heights, LLC and Math Tutoring Experts, LLC, where he inspires students and corporations to reach beyond their limits and achieve breakthrough success. Chris also serves as the Coordinator of the Mathematics Learning Center at Montgomery College.

Helping Audiences Achieve the “Extraordinary”

In life and business, there are adversities, personal crises, business struggles and financial struggles. After overcoming the challenges of living with a disability, Chris Powell knows what it takes to win in the face of adversity and shares this valuable perspective with academic and corporate audiences to help them overcome their perceived limitations and achieve the “extraordinary” in their lives and businesses.

Corporate

Inspire your team to adjust their attitude, actions and plans for a higher level of success. Equip them with powerful insights from Chris Powell's topics for corporations including “The Value of Diversity” and “The Will to Win.”

Chris's talk will build your team's confidence and share with them a new paradigm for problem solving to help them drive your company to higher levels of productivity and profitability.

Academia

Help your students achieve greatness and reach beyond their limits. In his talks for high schools, colleges and universities, Chris Powell will teach students how to stay motivated, conquer their fears and find the “gift” in every adversity.

Chris is also able to share lessons with educators in creating a culture of positive development for students, as well as how to work with individuals who have special needs to achieve success.

Event Planners

Whether you are planning a nonprofit gala, corporate retreat or disability awareness event, Chris Powell will entertain, inspire and motivate your audience. Attendees will walk away from your event with a new perspective that they will cherish.

Also, book Chris Powell for your events during October, National Disability Employment Awareness Month. Your audience will discover new ways to achieve greater success through diversity.

"If you want someone to motivate your staff to greatness, look no further than Chris Powell. His powerful story and accomplishments prove there are truly no excuses when it comes to success. Every organization serious about being a leader in their field needs to hear his message."
